Mission Statement

To develop the best and most attractive Regional Airport in Canada which will be a model for those that follow.

Values and Principles

- 1) Safety on the ground and in the air must be central to planning decisions.
- 2) High River Regional Airport will be financially responsible and accountable to the Board of Directors at all times.
 - We will operate within a pre-approved budget without risk on the revenue side.
 - Decisions and the decision process will be transparent. We will learn from our mistakes.
 - We will develop the airport at a pace that reflects the needs of the aviation community and the region at large.
 - Participation from all members of the community will be encouraged.
 - Improvements and development will be of a high quality and fit for purpose.
- 3) We will be a good neighbour and a responsible Corporate citizen.
 - Airport liaison with all levels of Government will be ongoing.
 - The airport will encourage public participation in events and promote the benefits of General and Business Aviation. In this promotion we must try to keep aviation affordable by way of providing facilities for all classes of aircraft.
 - To provide the incentive for appropriate businesses to locate or relocate to the High River Regional Airport.
 - To think long term in all development proposals.
 - Development will protect the environment and preserve the character of the region plus the rich heritage of the High River Airport.
